

Make Prescription Collections Easy

1 Scan

2 Ticket

3 Collect

TENNER CollectNow™ for Pharmacies is a business app that instantly notifies customers when their prescriptions are ready to collect, improving customer experience and staff efficiency at pharmacies.

Find out more at:

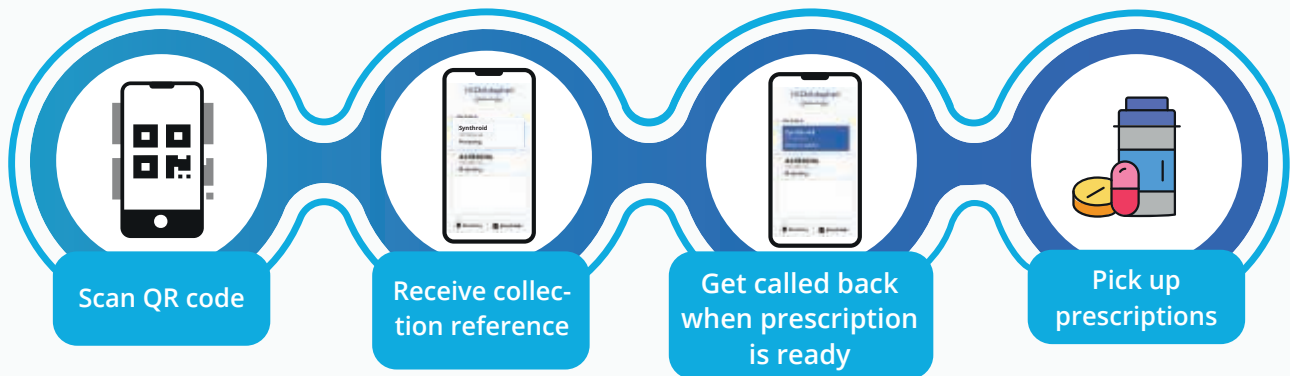

www.tenner.cloud/CollectNow

TENNER CollectNow™ will save your staff time and effort with prescription collections by:

- Simplifying collection procedures
- Reducing customer queues
- Improving enquiries times

How it works:

There are no sign-ups or downloads required for customers. CollectNow™ It is 100% GDPR compliant and satisfies all UK data protection policies.
